GRIFFITH ACT 2603

Dear Ms Ross

Freedom of Information Request –17/35206 – Proposals to develop Section 66 Deakin

I refer to your application under section 14 of the *Freedom of Information Act 1989* (the Act), received by the Environment, Planning and Sustainable Development Directorate (EPSDD) on 13 December 2017, in which you requested:

“all documents relating to proposals to develop Section 66 Deakin, including all correspondence, emails, meeting notes, briefings, Ministerial correspondence, letters and telephone notes since 1 January 2014, including correspondence dealing with development, change of lease and Territory Plan matters”.

I apologise for the delay in providing you a response. Your patience and understanding throughout this process has been greatly appreciated.

I am an officer authorised to make a decision in respect of a request for information, under section 22 of the Act.

Decision

The Directorate has identified 83 items (including their attachments) in its possession that meet the scope of your request, as identified in the schedule attached to this letter.

The attached schedule outlines my decision regarding access to each of the documents identified as relevant to your request and the relevant exemptions applied. Documents are identified as either ‘full release’ or ‘partial release’.

In accordance with section 21 of the Act, I have decided to release, where possible, non-exempt material as indicated in the schedule as ‘partial release’ to provide the greatest level of disclosure.

Exemptions have been applied under section 41 (documents affecting personal privacy). Some of the documents contain personal information and it is my determination that the release of this would constitute an unreasonable disclosure of personal information.

Review rights

My decision is reviewable under section 59 of the Act. If you wish to seek a review you may write to:
