

Notice of 2022 RHR AGM

The Annual General Meeting of Red Hill Regenerators (Red Hill Bush Regenerators, **RHR**) will be held on Sunday 6 November at 11am on Red Hill Nature Reserve close to the Red Hill cafe.

The minutes of the 2021 AGM and the 2022 President's and Treasurer's Reports can be found at http://redhillregenerators.org.au/?page_id=460

Voting for 2022/23 committee positions will also be held at the AGM. Nominations are invited for all positions.

We are seeking members to undertake particular tasks to share the load. You don't need to be a committee member to take on these tasks.

These tasks are **highlighted in yellow on the next page**. Can you please consider this and let us know if you have any interest? A number of them are not onerous. Please feel free to ask questions before making a decision. You can respond to me directly, via info@redhillregenerators.org.au or talk to one of the committee members.

Please note: Members of the Red Hill Regeneration Group and non-member volunteers are invited to attend the AGM. However, only Members can nominate for Committee positions and vote at the AGM. If you are unsure of your membership status, please contact info@redhillregenerators.org.au

Ross Kingsland
President
